

Tucson Herpetological Society 2008 PHOTO CONTEST

Attention...

Sonoran Desert Photographers:

The Tucson Herpetological Society is proud to announce its third biennial photo contest. Submit your photos of local snakes, frogs, turtles, and lizards in their natural habitat. Help us portray the aesthetic, scientific, and educational value of the more than 125 species of reptiles and amphibians found in the Sonoran Desert.

Photos will be used to augment the THS website's 100-mile circle, to recruit increased membership, and to help the THS mission of promoting the protection and understanding of our herpetofauna and their habitat. Outstanding photos may appear on the THS website or in the *Sonoran Herpetologist* (THS' monthly newsletter/journal). All winners receive THS apparel and acknowledgement in the *Sonoran Herpetologist* and on the THS website.

Submit your entry in print (4 x 6 to 8 x 12 inches) AND electronic format by **November 1st, 2008**. Winners will be announced, and photo entries can be viewed, at the 18 November 2008 THS General Meeting. Official rules (<http://tucsonherpsociety.org/RulesandCategories.pdf>) and entry form (<http://tucsonherpsociety.org/2008entry.pdf>) are available at: <http://tucsonherpsociety.org/>

The Tucson Herpetological Society is a registered non-profit organization dedicated to conservation, education, and research concerning the amphibians and reptiles of Arizona and Mexico.
